

Guidance: Volunteer Louisiana Fiscal Year (FY) 2026 State Formula Request For Proposals (RFP) process for New and Continuation Applications

The Volunteer Louisiana Commission administers federal grants from the AmeriCorps agency. AmeriCorps grants are awarded to eligible organizations proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions/practices to strengthen communities through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

RFP Processes

Volunteer Louisiana invites current subgrantees from its portfolio and new organizations to apply for AmeriCorps funding through one of two processes.

- New applicants and current AmeriCorps State Formula programs seeking funding for a second or third year of their 3 year grant will apply through the **Volunteer Louisiana FY26 State Formula RFP process**.
- National Competitive programs seeking funding for a second or third year of their 3 year grant and State Formula programs completing their third year of funding for their 3 year grant will apply through the **FY26 National Competitive RFP Application Process**. That document is available upon request from the Volunteer Louisiana Director of National Service, Jacob Brumfield at jbrumfield@crt.la.gov

These RFPs are applicable to organizations that propose to place AmeriCorps members in service solely within Louisiana. If you are a national or multi-state applicant, please refer to the [AmeriCorps' National list of Funding Opportunities](#) webpage.

For the purpose of Volunteer Louisiana's FY26 State Formula RFP process, **New Applicants** are defined as organizations with programs that are not currently part of the Volunteer Louisiana's AmeriCorps Louisiana portfolio (<https://volunteerlouisiana.gov/ameriCorps>).

Notice of Interest to Apply (NOI): Required in FY26 for new applicants

Given the abbreviated timeframe for this grant opportunity, Volunteer Louisiana is requiring **New applicants** for the FY26 State Formula RFP process to submit a Notice of Interest to Apply (NOI) by 11:59 p.m. on Sun., March 1 via Volunteer Louisiana's online form (<https://forms.gle/uVMLqaXtKFNG6dhE6>). Volunteer Louisiana will issue each organization a secure Dropbox folder in which organizations will submit application materials by 11:59 p.m. Sun., March 8.

Additional Requirements for New Applicants

1. **Foundational Online Course:** In FY24, Volunteer Louisiana began requiring New Applicants to complete a 1 hour, online **AmeriCorps 101 for Staff** course hosted by On3Learn. Volunteer Louisiana asks that one representative of the organization who will be responsible for filing their application or administering the proposed program complete the course by March 1, 2026 at 11:59 p.m.

2. **Proposed Member Position Description:** Beginning with the FY26 process, Volunteer Louisiana will ask all New Applicants to submit a proposed Member Position Description(s) with their application. Volunteer Louisiana believes that a well-written Member Position Description will help the review and the applicant understand the opportunities for its proposed AmeriCorps members and the members’ potential impact for delivering meaningful service.

AmeriCorps’ most recent **Member Position Description Outline** (October 2024) is available here:
https://www.americorps.gov/sites/default/files/document/Member-Position-Description-Outline_2023-01_508.pdf.

The On3Learn platform offers a 1-hour online course **Developing & Integrating AmeriCorps Member Position Descriptions** that builds

capacity around writing and implementing compliant, high quality and inclusive position descriptions. As a result of time in this course, users are able to define and integrate the essential elements of a compliant, high quality, and inclusive position description; write and promote position descriptions; and recognize the benefits of high quality and inclusive position descriptions.

A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps State and National Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteerism. AmeriCorps members serve with organizations dedicated to the improvement of communities and those serving.

AmeriCorps grants are awarded to [eligible organizations](#) that engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is a person who does community service through AmeriCorps. Members may receive a living allowance and other benefits. After successful completion of their service, members earn a Segal AmeriCorps Education Award they can use to pay for higher education expenses or apply to qualified student loans.

AmeriCorps State grants in Louisiana are awarded and administered through the Volunteer Louisiana state service commission. Volunteer Louisiana is in the Office of the Lt. Governor and is governed by a bipartisan citizen board of up to 25 members appointed by the Governor. Volunteer Louisiana's mission is to help strengthen Louisiana communities through volunteerism and national service. We achieve this mission by promoting volunteerism, building disaster response capacity and resilience, and supporting AmeriCorps programs and AmeriCorps members throughout the state of Louisiana.

A.2. Funding Priorities

Volunteer Louisiana's 2025-2028 State Service Plan (<https://volunteerlouisiana.gov/sites/default/files/2025-08/2025-2028%20State%20Service%20Plan.pdf>) defines the agency's goals and objectives. Goal 1 is to "Strengthen AmeriCorps throughout Louisiana." Objectives 1 - 4 include:

1. Promote and elevate AmeriCorps throughout Louisiana
2. Implement intentional strategies to increase the geographic, focus area, and organizational diversity of AmeriCorps programs
3. Foster collaborative AmeriCorps ecosystems
4. Ensure high-quality AmeriCorps programs

Volunteer Louisiana will prioritize State Formula funding for 1) community-based, grass-roots organizations, 2) organizations that serve rural and other communities national service is underrepresented, and 3) organizations that foster engagement with philanthropic and other partners to identify and align strategic funding priorities and maximize community impact. To receive priority consideration, applicants must show that the priority area is a significant part of the program focus. However, the inclusion of priority areas in an application does not guarantee funding.

A.3. Performance Goals or Expected Outcomes

State Formula Measures

All State Formula applications must include at least one aligned performance measure, output and outcome, that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. For more information, refer to the [National Performance Measure Instructions](#).

A.4. Program Authority

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, [42 U.S.C. §12501 et seq.](#)

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

Volunteer Louisiana expects a highly competitive AmeriCorps grant competition. Given limited funding, Volunteer Louisiana may prioritize funding existing grantees instead of making new awards. The actual level of funding depends on annual appropriations.

B.2. Estimated Award Amount

Award amounts will be different depending on the scope of the projects.

Beginning in FY26, all AmeriCorps Louisiana programs will be required to pay a **State Support and Oversight Fee**. This fee will be in lieu of the 1% Commission Fixed Cost fee collected in prior years from each applicant's Budget Section III: Administrative Costs section.

The 2026 AmeriCorps State and National Application Instructions state:

If a Commission elects to retain a share of the 5% of federal funds available to programs for administrative costs up to 2%, that decision is identified within each subgrant's budget. A State Commission can take up to 2% in administrative funds, provided the Commission has less than 25% in prior year unexpended funds on the Commission Support Grant.

<https://www.americorps.gov/sites/default/files/document/2026-01/2026-AmeriCorps-State-and-National-Application-Instructions.pdf>, p.27)

Volunteer Louisiana will provide its new policy and procedure covering this cost to grant applicants the week of February 9, 2026.

B.3. Period of Performance

Volunteer Louisiana plans to make three-year grant awards. Volunteer Louisiana makes an initial award for the first year of the three-year period of performance. Applicants must submit a one-year budget. Applicants may propose any project start date that fits their program design. The period of performance may not start before July 1, 2026. Continuation awards for future years are not guaranteed; they depend upon future appropriations and satisfactory performance.

B.4. Type of Award

Volunteer Louisiana makes available different types of grants. AmeriCorps may award Operating Grants, including a Cost Reimbursement or a Fixed Amount grant, to any successful applicant, but the availability of a Full-Cost Fixed Amount grant is limited to certain applicants.

Professional Corps applicants are ineligible to receive Cost Reimbursement grants. Use the C.1. Eligible Applicants section and the [Mandatory Supplemental Information](#) document for more information, including definitions of terminology. AmeriCorps will not provide both types of grants for the same project in one fiscal year. It is the Volunteer Louisiana Commission's policy to allow for Professional Corps programs to be considered for Competitive consideration only, but exceptions may be considered on a year-by-year basis based on annual Formula allocations.

Applicants are required to match funds provided by AmeriCorps. The applicant’s match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must show that they can meet the match requirement when they submit the application. Applicants must say in their application if they have already secured the match funding.

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every three years to 30 percent by year ten.

Match Waiver

Please use the Match Waiver information for AmeriCorps State and National Grantees located on the AmeriCorps.gov [Manage Your Grant](#) webpage. AmeriCorps encourages Tribal Nations to request match waivers to reduce barriers. Every effort will be made to reduce the match requirements to improve accessibility to funding.

Fixed Amount Grants

There is no cost share or matching requirement for Fixed Amount grants. AmeriCorps does not provide all the funds necessary to operate the program. Organizations should raise the funds needed to operate the program.

If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. Use the [SAM Quick Guide for Grantees for more information](#).

AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and physical address on all grant applications to AmeriCorps. The legal applicant's name and physical address in the grant system must match exactly the applicant's SAM-registered information.**

Applications must include a valid Unique Entity Identifier (UEI), which is generated as part of the SAM registration process. AmeriCorps will not make awards to entities that do not have a valid SAM registration and UEI.

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

1. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must follow the limits in the table below. Organizations applying for Cost Reimbursement grants must include the living allowance in the budget, either as AmeriCorps share or match.

Fixed Amount grant applicants must give members a living allowance that follows the minimum and maximum amounts in the chart below and should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance for FY 2026 New and Recomplete Competitive and Formula Applicants

Slot Types	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1,700	\$20,400	\$40,800

Half-time	900	n/a	\$20,400
Quarter-time	450	n/a	\$10,608
Minimum-time	300	n/a	\$8,568

Table: Minimum and Maximum Living Allowance for FY 2026 Competitive and Formula Continuation Applicants in Year 2 or Year 3 of Funding

Exceptions to the Living Allowance Requirements

a. Programs existing prior to September 21, 1993, do not have to offer a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

b. Education Award Program (EAP) Grantees are not required to provide a living allowance. If an organization chooses to offer a living allowance, it does not have to pay its members the minimum but cannot exceed the maximum.

c. Professional Corps Grantees must provide members a living allowance or salary. Organizations must pay members the minimum and can exceed the maximum. Professional Corps member salaries and benefits including childcare cannot be included in the federal share budget request to AmeriCorps.

2. Maximum Cost per Member Service Year

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a member may earn.

AmeriCorps is keeping the maximum cost per MSY at the same amount as FY 2025 as a safeguard to ensure the number of members serving remains the same or grows.

Table: Maximum Cost per MSY

Grant Program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	\$25,000
Multi-state competitive (cost reimbursement)	\$25,000
Professional Corps competitive Fixed Amount Applicants/Grantees	\$1,000*
Full-cost competitive Fixed Amount Grant	\$25,000
Education Award Program (EAP) Fixed Amount Grant (competitive and formula)	\$800 or \$1,000**
All non-EAP formula subgrants	\$25,200***

*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to \$1,000 per MSY if an applicant is able to show significant organizational financial need.

** For the Education Award Program, AmeriCorps may provide a maximum of \$800 per individual enrolled in an approved national service position. If at least 50 percent of a program's enrollees are disadvantaged youth, AmeriCorps may provide \$1,000 per enrollee, [42 U.S.C. § 12581a](#).

***\$18,000 adjusted for inflation as measured by the Consumer Price Index for all Urban Consumers (As of September 2025 CPI was 0.3).

AmeriCorps may: 1) treat an applicant as a Professional Corps if they meet the legal requirements for a Professional Corps (even if they did not submit a Professional Corps application); and 2) decide not to provide a grant to an organization that it determines cannot operate effectively without AmeriCorps operating funds.

3. Costs Associated with Evidence Building Activities e.g. performance data collection and management, foundational research, program evaluation, etc.

As noted in [2 CFR § 200.455](#), costs associated with evidence building activities are allowable expenses or match under AmeriCorps grants. This includes costs related to performance data collection and management, foundational research, program evaluation, and related activities.

AmeriCorps reserves the right to award applications in an amount less than the requested level of funding.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may use a Federally approved indirect cost rate if they have one and if not, may use either –

- i. the AmeriCorps-Fixed Percentage method (five/ten percent fixed administrative cost option) outlined in AmeriCorps' [Indirect Cost Guidance](#);
- ii. a 15 percent *de minimis* rate of modified total direct costs; or
- iii. [may claim certain costs directly](#).

All methods must be applied consistently across all Federal awards. No more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants under section 121(d) of the National and Community Service Act of 1990, as amended and AmeriCorps' regulations at [45 CFR 2521.95](#) and [2540.110](#)."

Use the [eGrants Indirect Cost Rate \(IDCR\) User Instructions](#) to enter the organization's Federal negotiated indirect cost rate or the *de minimis* rate information. Applicants should not submit documentation addressing the cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@americorps.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs

Applicants funded under this Notice are approved for pre-award costs for one month prior to the start of their program. See the Mandatory Supplemental Information for more detail.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission

Continuation applicants must submit applications electronically via AmeriCorps' web-based application system.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own account to sign and submit the application.

Applicants should contact the [AmeriCorps Hotline](#) at (800) 942-2677 if they have a problem when they create an account, prepare, or submit the application. Information about the AmeriCorps Hotline hours are also posted on the [AmeriCorps Hotline webpage](#).

When contacting the AmeriCorps Hotline, be prepared to provide the application ID, organization name, and the name of the Notice to which the organization is applying. If the issue cannot be fixed by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via the grant system.

If circumstances make it impossible for an applicant to submit in the grant system, the authorized representative must e-mail Jacob Brumfield, the Volunteer Louisiana Director of National Service, at both jbrumfield@crt.la.gov and volunteerlouisiana@crt.la.gov. Applicants must include an explanation and related documents about why they could not submit their application electronically. Applications must be received by the deadline.

All deadlines and requirements in this Notice also apply to paper applications. Volunteer Louisiana does not accept applications submitted via fax or email.

D.7.b. Submission of Additional Documents

Your application might not receive funding if you do not upload your documents by the application deadline or do not correctly label your documents. **Applicants should wait until directed by Volunteer Louisiana to file the following documentation.**

Additional documents for all applicants:

1. **Labor union concurrence, if applicable.**
2. **Operational and Financial Management Survey (OFMS).** Submit electronically using the online form [linked here](#). Forms submitted as a PDF, or any other document format may not be accepted by AmeriCorps.

Volunteer Louisiana recommends that applicants print a paper copy and/or print-to-PDF a copy that can be retained for their own records. Volunteer Louisiana requests that applicants e-mail volunteerlouisiana@crt.la.gov to inform the Commission that they have completed and submitted the OFMS online form.

Volunteer Louisiana reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria (E.1.) that will be used to assess applications.

E.3. Feedback to Applicants

Each compliant applicant will receive feedback from the review of its application.

E.4. Transparency in Grantmaking

Volunteer Louisiana will make awards following the selection announcement. Volunteer Louisiana anticipates announcing the results of this funding opportunity by mid-June 2026 contingent on the availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

An awardee may not expend Federal Funds until the start of the Period of Performance identified on the Notice of Grant Award.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance

All awards made under this Notice must follow the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, in [2 CFR Parts 200](#) and [2205](#).

F.2.c. AmeriCorps Terms and Conditions

All grants must follow the [FY 2026 AmeriCorps General Terms and Conditions](#), and the FY 2026 Program-Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain mandatory compliance and reporting requirements, and applicants should review these instructions prior to any Notice of Grant Award. Current

Continuation applicants must submit an application to be eligible to receive funding for the FY 2026 program year. Continuation applicants must follow the requirements for continuation application content as outlined in the Application Instructions.

Please use the [Application Instructions](#) for how to request use of unexpended funds.

Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the selection criteria published in this Notice.

To be approved for continuation funding, recipients must be in good standing. Continuation application review will also be based on progress reports, the federal financial report, evaluation plans, and Volunteer Louisiana staff's knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

Volunteer Louisiana reserves the right to award applications in an amount less than the requested level of funding and will document the rationale for doing so.
